CIRCULATION NOTE.

Subject: Proposal to grant an extension of service to Sri R.Kemparaj, for one year from the date of his superannuation, viz., 27.9.1949.

Sri R. Kemparaj, Assistant Secretary, Mysore Govt. Indusarnse Department, attains the age of superannuation on 27.9.1949. The Secretary, Insurance Department, who was consulted regarding the retirement or otherwise of this officer has recommended an extension of service for at least two years for the reasons set forth in his letter of which an extract is given below:

> "The Department has just now emerged out of the confused state of arrears, and to keep up the efficiency of the Department the services of able and experienced officers are quite necessary. It is under consideration to introduce new schmes and systems in order to keep pace with the leading Insurance Companies, and the need for experienced officers at the present juncture is so great that the Department can ill-afford to retire Sri R. Kempraj now.
>
> Of the several schemes under consideration, mechanization of work is one of far-reaching importance. The work is considerable in magnitude and requires great care in planning and execution. The existing system of work has to be re-organised completely and-to suit machines requirements, and an immense amount of work has to be done from the outset. It will take over a year to effect the change as the figures of all the policies in force (over a lakh) have to be mechanised, after scrutinising every policy file and ledger sheet and rectifying deficiencies. In working the scheme the efficiency of the entire Deprtment has to be kept at the highest level, and the guidance of efficient and experienced officers is absolutely necessary.
>
> A Cash Section has to be opened in the office after accommodation is made avacilable by the Comptroller's Office. Sri R. Kempraj has been in-charge of cash transactions for a number of years, and his guidance will be very valuable in starting the Cash Section and making it work promptly and efficiently.
>
> With the increase in business of the Public Branch and the inception of the Motor Branch, the work and responsibility of the Cashetted Officers has increased, and the existing arrangements should be continued undisturbed for sometime lest the efficiency of the Department be adversely affected. Even in the Official Branch the business is making rapid progress due to the revision of scales of pay and other reasons and work is increasing. The valuation of both Branches as on 30th June 1946 has to be conducted by the Department itself for the first time.
>
> The items of work to be done are many and important, and I need not stress the fact that the services of Sri R. Kempraj are quite essential in view of his wide experience and efficiency. This officer has put in a long and satisfactory service of 27 years, and is drawing a pay of Rs.430 plus P.A. Rs.10 in grade Rs.250-20-450 from 1.10.46. He has worked in various capacities, and with his good knowledge and wide information, legal and general, he has assisted me very ably both in the administrative duties and in improving the work and efficiency of the Department.

7

He is strong and health and considering from all aspects, I am of opinion that the Department will be benefited greatly if his services are retained for a period of two more years.

In view of these circumstances, I request kind sanction of Government for granting him an extension of service of at least two years with effect from 27.9.49 the date of his superannuation, in the interests of efficient administration of the Department."

The Financial Secretary has noted on the proposal as follows:

"This officer is a quiet, unassuming and hard working one and has spent his life in the Department. He is physically fit and his experience would be for the benefit of the Department if an extension of service for one year were given to him. I would recommend it."

The proposal to grant an extension of service for one year has been approved by the Minister for Finance and Industries and the Chief Minister and has been ordered to be disposed of by circulation.

The concurrence of the Ministers to the proposal is requested.
